The dedicated monthly magazine for the global overhead lifting industry

The only publication dedicated to the overhead lifting sector

Hoist holds a unique place in the market, having built a reputation as the authoritative voice of the overhead lifting industry over the past 20 years. As the only international magazine dedicated to the overhead lifting sector, if you are looking to reach crane owners, manufacturers, installers, engineers and operators across the globe, *Hoist* is the ideal choice.

An expanding online presence for the new decade

Already well-established as a print publication and website, *Hoist* has now broadened its editorial presence with online webinars. For companies wishing to use the *Hoist* platform to share a bespoke message with the industry, we also offer sponsored webinars.

The right content and coverage for a unique global market

While *Hoist* remains tightly focused on overhead lifting, its editorial has a broad scope – like those in the lifting industry, the publication understands the importance of not just new technology but also market trends, regulations and standards, safety, and beyond.

The right content, for the right people, in the right places Read by:

- Machinery installers
- Lifting equipment suppliers
- Plant managers

Crane builders

Rigging hire shops

Engineers and designers

Global coverage for a global sector

Our coverage is geographically broad with equal coverage of North America and Europe and additional detailed coverage of global markets like the Middle East and Latin America. We also report on projects in Africa, Asia and Australia.

Regional coverage includes case studies, profiles and region-specific sector reports.

The regional sections are clearly highlighted in the magazine making it easy for readers to find the content and advertising most relevant to their market.

Hoist Diamond Dinner Club – Get to know prospective clients in an exclusive, intimate event

Hoist magazine is proud to announce the launch of an exclusive dining networking event, Hoist Diamond Dinner Club, to get to know prospective clients in an intimate setting.

Partnering with Hoist Diamond Dinner Club enables a sponsor to demonstrate their expertise to a specially selected group of engineers, suppliers, plant managers and distributors in the hoist and lifting sector. Post-pandemic, hosting a dinner could provide the perfect way to socialise and discuss future business ventures.

Dining Clubs provide the perfect platform to deliver your key messages. As an exclusive sponsor, partnering organisations have the opportunity to pre-qualify delegates and to agree a discussion and theme that will revolve around the sponsor's line of business.

Joe Woolerton **group sales manager** +44 20 7406 6687 joe.woolerton@hoistmagazine.com

Hoist Dining Club provide partnering companies with the following:

- The help of *Hoist*'s experienced editorial team to develop the theme and facilitate discussion on the night
- A venue that gives the right atmosphere for relaxed business development
- Guests selected from Hoist's extensive database of contacts with the authority to make buying decisions
- Leverage of *Hoist*'s event organisation expertise and contacts
- Hoist provides expertise from the UK's top market analysts

Working with our dedicated team of experts means that you can focus on developing your new relationships and getting your message right.
